

Are you a surgeon?

The American College of Surgeons (ACS) works at the national level. The College's health policy advocacy before Congress and in state capitals, representing the interests of surgeons and their clinical practices with federal agencies. Join ACS in spring leadership & Advocacy Summit and attend Congressional visits to establish relationships with your members.

With more than 80,000 members, the American College of Surgeons (ACS) is the largest organization of surgeons in the world, uniquely positioned to lead the way in optimal patient care, surgical research, health policy, continuing education, and networking opportunities. We have so much to offer surgeons of all specialties, at any point in their careers. Join thousands of your ophthalmic surgeon colleagues. Become a member, and take advantage of the following opportunities and resources.

ENGAGEMENT OPPORTUNITIES

Join ACS today.

SURGICAL EDUCATION AND TRAINING RESOURCES

Clinical Congress. Enjoy a deep member registration discount to this premier surgical meeting featuring hundreds of hours of educational sessions and activities. The annual Clinical Congress provides an opportunity to gain inspiration and interface with surgeons across all specialties through interdisciplinary panels, workshops, courses, Meet-the-Expert Sessions, and lectures.

Education Center. Online courses include Ultrasound for Surgeons and Fundamentals of Laparoscopic Surgery, or attend in-person courses such as Surgeons as Leaders, Surgeons as Educators, and a wide variety of trauma education offerings.

ACS Member Society Educator Academy advances the science and practice of education across all surgical specialties. ACS Fellows who are recognized as surgeon educators may apply for membership in this Academy through the defined application process.
