

With more than 80,000 members, the American College of Surgeons (ACS) is the largest organization of surgeons in the world, uniquely positioned to lead the way in optimal patient care, surgical research,

SCHOLARSHIPS

The ACS and AUGS Health Policy Scholarship is an annual scholarship available to ACS members that subsidizes attendance and participation in the Executive Leadership Program in Health Policy and Management at Brandeis University. There are many other surgical research and travel scholarships and fellowships available to Fellows, including traveling fellowships to Germany, Japan, and Australia and New Zealand.

SURGICAL EDUCATION AND TRAINING RESOURCES

Clinical Congress Enjoy a deep member registration discount to this premier surgical meeting featuring hundreds of hours of educational sessions and activities. The annual Clinical Congress provides an opportunity to gain inspiration and interface with surgeons across all specialties through interdisciplinary panels, workshops, courses, Meet-the-Expert Sessions, and lectures.

Educational Courses Online courses include Ultrasound for Surgeons and Fundamentals of Laparoscopic Surgery, or attend in-person courses such as Surgeons as Leaders, Surgeons as Educators, and a wide variety of trauma education offerings.

MyCME Use the MyCME online tool to document and track your CME Credits, print transcripts, and download CME Certificates.

Evidence-Based Decisions in Surgery These “point of care” modules are based on currently available practice guidelines. They help address diagnoses and conditions and are used for decisions support, patient-focused interactions with other health care professionals, and patient education purposes.

Ethical Issues in Surgical Care This is the definitive textbook on ethical issues in surgical practice.

ACS Case Reviews in Surgery This case-studies journal covers an extensive array of specialties.
